MERCHANT OF DEATH: MONEY, GUNS, PLANES, AND THE MAN WHO MAKES WAR POSSIBLE

[DOWNLOAD](#)

Turner Publishing Company. Paperback. Book Condition: new. BRAND NEW, Merchant of Death: Money, Guns, Planes, and the Man Who Makes War Possible, Douglas Farah, Stephen Braun, Praise for Merchant of Death "A riveting investigation of the world's most notorious arms dealer--a page-turner that digs deep into the amazing, murky story of Viktor Bout. Farah and Braun have exposed the inner workings of one of the world's most secretive businesses--the international arms trade." -Peter L. Bergen, author of The Osama bin Laden I Know "Viktor Bout is like Osama bin Laden: a major target of U.S. intelligence officials who time and again gets away. Farah and Braun have skillfully documented how this notorious arms dealer has stoked violence around the world and thwarted international sanctions. Even more appalling, they show how Bout ended up getting millions of dollars in U.S. government money to assist the war in Iraq. A truly impressive piece of investigative reporting." -Michael Isikoff, coauthor of Hubris: The Inside Story of Spin, Scandal, and the Selling of the Iraq War "Douglas Farah and Stephen Braun are two of the toughest investigative reporters in the country. This is an important book about a hidden world of gunrunning and profiteering in some of the world's poorest countries." -Steve Coll, author of Ghost Wars: The Secret History of the CIA, Afghanistan, and bin Laden, from the Soviet Invasion to September 10, 2001 "In Merchant of Death , two of America's finest reporters have performed a major public service, turning over the right rocks that reveal the brutal international arms business at the dawn of the twenty-first century. In Viktor Bout, they have given us a new Lord of War, a man who knows no side but his own, and who has a knack for turning up in every war zone just..."
