

Rethinking Economics: Lectures and Seminars on World Economics (Paperback)

By Rudolf Steiner

SteinerBooks, Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. 14 lectures in Dornach, July 14-August 6, 1922 (CW 340) 6 seminars in Dornach, July 31-August 5, 1922 (CW 341) In this age of social, economic, and ecological disruption, many people are beginning to realize that perhaps the most important root causes for this crisis originate in an economic thinking that is increasingly out of touch with the social, ecological, and spiritual realities of our time. How, then, can we rethink and redefine the fundamental economic concepts that frame our discussions and shape our key institutions in society today? This is the big question on the table today. Rudolf Steiner's lectures on economics offer a largely unused gold mine of fresh economic ideas that could not be more timely and relevant. --Dr. C. Otto Scharmer, Senior Lecturer at MIT (from the foreword) The whole Earth, considered as an economic organism, is the social organism. Yet this is not being taken into account anywhere. It is precisely because of this error that the whole science of political economy has grown so remote from reality. People want to establish principles that are meant to apply only...
