Dog Ear Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Untying The Karmic Knot joins past-life regression and life-between-lives regression, uniting them in an amazingly powerful and effective process that brings healing to current life challenges. These regressions reveal the source of difficult relationships, depression, anger, addiction, phobias, abandonment issues, unexplained anxiety and body pains. Rather than originating in this life, these problems come forward from a past life. This untying of the original Karmic Knot releases those spirits bound in that ongoing struggle. When that past life ends our spirit enters the afterlife, a realm of unconditional love. Our spirit guide meets us to share knowledge about our current life: the lessons, our soul s purpose on earth, and where we find meaning in our present life. Diane Morrin, M.A., a Licensed Professional Counselor in Montana, earned her bachelor s degree in Sociology from the University of California, and her master s degree in Transpersonal Counseling Psychology from the Naropa University, Boulder, CO. Diane trained in past-life regression with Brian Weiss, M.D., the author of Many Lives, Many Masters. Her training continued in lifebetween- lives regression with Dr. Michael Newton, Ph.D., author of Journey of Souls. A member of the Newton Institute, Ms. Morrin practices and teaches the Insight Meditation tradition. As a spiritual regression therapist, she supports raising the level of consciousness among those courageous enough to discover our human purpose here on earth. Ms. Morrin is the mother of three adult sons and is committed to her stewardship of the environment.
