Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Was John Wycliffe a Negligent Pluralist?: Also John De Trevisa, His Life and Work In getting together material for an adequate history of the Church of Westbury on Trym, the history of which is, in fact, an epitome of the history of the Church of England, one of the chief difficulties has been the inaccurate and confused statements already published. I have felt inclined to echo Shirley s statement: Were it not that with antiquarians of this class the authority of the first assertor is too often the only authority of the whole series, we might quietly acquiesce in their decision.
